

Job description: Trauma- Nurse Practitioner / Physician Assistant

GREAT OPPORTUNITY AVAILABLE IN WEST PALM BEACH, FLORIDA!!!

Overview

We are seeking dedicated, skilled and motivated **Trauma Nurse Practitioners or Physician Assistants** to join our Trauma and Acute Care Surgery team. The ideal candidate will provide high-quality, patient-centered care to trauma patients across the continuum, working collaboratively with trauma surgeons, emergency medicine providers, ICU, nursing staff, and ancillary services. This role offers a fast-paced, team-oriented environment with opportunities for professional growth and meaningful clinical impact.

Duties

- Perform comprehensive assessments, diagnoses, and management of trauma and acute care surgery patients
- Provide inpatient care including rounding, admissions, discharges, post op care and care coordination
- Assist in trauma resuscitations and management of critically injured patients
- Perform procedures within scope of practice (e.g., suturing, wound care, line placement, chest tube management, splinting)
- Collaborate closely with attending trauma surgeons and multidisciplinary teams
- Document clinical encounters accurately and timely in the electronic medical record
- Provide patient and family education and discharge planning
- Participate in quality improvement initiatives and trauma program activities as required

Experience/Requirements

- Completion of Master's or Doctorate Nurse Practitioner or Physician Assistant program from an accredited institution with a valid license to practice in the state of Florida.
- National Board Certification
- Experience in inpatient critical care and or surgery setting is strongly preferred.
- Strong clinical judgment, communication and teamwork skills.
- Excellent communication skills with the ability to interact effectively with patients and families
- Current BLS and ACLS certifications
- Ability to lift patients safely and assist with mobility as needed
- Ability to thrive in high acuity, fast-paced environment
- Previous experience working in a hospital or similar healthcare environment is advantageous
- Active and unrestricted NPI and DEA
