

## **Trauma Surgeon**

### **Level I Trauma Center – South Florida**

#### **Position Summary**

We are seeking a **Board Certified/Board Eligible Trauma Surgeon** with fellowship training in **Surgical Critical Care** to join a high-volume, well-established **Level I Trauma Center** in South Florida. This position offers a **highly rewarding clinical practice** with exposure to a broad spectrum of trauma pathology, including **penetrating trauma** and **complex operative blunt trauma**, within a collaborative and well-supported environment.

#### **Qualifications**

- MD or DO degree from an accredited medical school
- **Board Certified or Board Eligible in General Surgery**
- **Board Certified or Board Eligible in Surgical Critical Care**
- Eligible for or holding an **unrestricted Florida medical license**
- Willingness and ability to provide **in-house trauma call coverage**
- Strong operative and critical care skills
- Excellent communication skills and a team-oriented approach to patient care

#### **Clinical Responsibilities**

- Comprehensive care of trauma patients, including:
  - Penetrating trauma (e.g., gunshot wounds, stab wounds)
  - Operative and non-operative blunt trauma
  - Emergency general surgery as applicable
- In-house trauma call coverage at a **Level I Trauma Center**
- Active participation in trauma activations, resuscitations, and operative management
- Collaboration with emergency medicine, anesthesia, orthopedics, neurosurgery, and other subspecialty services

#### **Support & Coverage Model**

- **Robust Advanced Practice Provider (APP) support**, including nurse practitioners assisting with trauma bays, ICU care and floor management.
- **Dedicated night coverage support**
- Experienced nursing and ancillary staff supporting high-acuity trauma and critical care care

#### **Academic & Programmatic Opportunities**

- Teaching and mentorship of surgical residents and APPs
- Participation in trauma education, simulation, quality improvement, and research initiatives

## **Practice Environment**

- High-volume **Level I Trauma Center** with strong institutional support
- Exposure to a wide range of trauma, including high-acuity penetrating and operative blunt injuries
- Established trauma infrastructure with a focus on quality, performance improvement, and provider wellness

## **Compensation & Benefits**

- Competitive compensation commensurate with experience
- Comprehensive benefits package

## **Visa Sponsorship**

- **Visa candidates will be considered**, including J-1 waiver and/or H-1B sponsorship, as applicable

## **Location**

South Florida offers an outstanding quality of life with **year-round warm weather**, access to beaches and outdoor activities, and diverse, family-friendly communities. The region features **excellent schools**, vibrant cultural and dining scenes, and abundant recreational opportunities making it an ideal place to live and raise a family.
